DETAILED ACTION

Allowable Subject Matter

1. Claims 1-12 are allowed.
2. The following is an examiner's statement of reasons for allowance: Claims 1-12 are allowed because the closest prior art of record fails to disclose a circuit as shown in Figure 4 wherein the delay locked loop device comprises a second delay line (222) for receiving the external clock (EXT_CLK) signal and a second comparative signal (PD2) or the first delay control signal (UPDN1) to generate a second internal clock signal (INTCLK2) in combination with the rest of the limitations of the base claims and any intervening claims.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
